

CLAIMS

What is Claimed is:

1. Luggage comprising, in combination:

a bag having an ingress opening, said bag including an interior said bag having a side panel comprising, at least in part, a transparent material, said bag further including a flexible flap to cover the transparent material and a fastener mechanism for attaching the flap to the bag over the transparent material whereby to inspect content in the interior of the bag, the flexible flap is at least partially detached from the bag by release of the fastener mechanism.
2. The luggage of Claim 1 wherein the transparent material comprises a transparent plastic material.
3. The luggage of Claim 1 wherein the interior pocket is formed on its inside panel by an opaque fabric.
4. The luggage of Claim 1 wherein the transparent material comprises polyvinyl chloride.
5. The luggage of Claim 1 wherein the bag includes at least one internal pocket within the bag accessible by having an opaque interior panel and a transparent outside panel covered by a flap that is at least partially removable.
6. The luggage of Claim 1 including interior pockets having a transparent panel at least in part.
